

Hall Mills - 105.436 - Thel Prep HS - nd

I would have Henry tell about the
June, 1922 trip of Mr. Thel Hall
to Lavalite to see about the Camp site
trusting that he wouldn't mention
Sordine but not caring if he did.

Did Henry bring out that he
saw Hall on the street in
July 1922 and that
he stopped his car for Hall to
run over and have a
friendly talk. This was
their last meeting.
